# Helpful Suggestions for Fitting Success

1. Bring this form to a Formalwear shop for a professional measurement. It is important to be measured by a professional tailor or formalwear specialist, please do not measure yourself.

If you need to use our Nationwide Fitting Network locator to search by city or zip code, you can go here: <http://www.tuxedofit.com>

Most shops will provide you with a complimentary measurement as an industry courtesy. One suggestion -- it would be best to have socks and a full t-shirt with sleeves (not a tank top) for your fitting.

2. To ensure your order is properly placed, please be sure to completely fill out the form and submit it to us, preferably no later than 30 days prior to your event.
3. Upon submitting your measurements if you would like to receive a confirmation you can request one by sending us an email at [info@vittoriotux.com](mailto:info@vittoriotux.com) with your name, date of the event and the couple's names or event coordinator's name for corporate events.
4. After you have submitted your form, complete payment of the \$30 deposit to reserve your rental.
5. **For Wedding Fittings, if you have questions about the attire selection, pricing or included accessories**, please consult the couple to verify their preference for their wedding ensemble. We are not able to make style, color or designer label changes for members of the wedding party without the couple's agreement.
6. As a helpful suggestion, keep a record of your measurements in case we have any questions, unexpected internet issues or if you have any other events in the future planned where you'll need this information. **If your weight increases or decreases by twenty or more pounds**, it is imperative to get measured again and then notify us as soon as possible to make any necessary adjustments.
